FINANCIAL POLICY

It is YOUR responsibility to check that our services are covered under your insurance plan - Confirm allergy testing (CPT4: 95004 /95024) and office visit (CPT4: 99214 and 99215) is covered by your insurance. Should you anticipate allergy shots confirm coverage (CPT CODES: 95115 / 95117 / 95165). Canton Asthma/Allergy accepts cash, checks, Master Card, Visa, and Discover credit cards. Please carefully read and then sign below, to confirm you understand and agree to these terms as listed.

Canton Asthma/Allergy will bill your insurance company based on the information you have provided. However, your insurance policy is a contract between you, your employer, and your insurance carrier. OUR relationship is with YOU, not your insurance company. All charges are ultimately YOUR responsibility.

Co-pay and any unpaid past due balance is due at time of service. If copay is not paid at time of service, a $10 billing fee will be added to your charges. Billed balances are due in full within 30 days. No further services will be provided until your account is paid unless other arrangements have been made with Manager.

Canton Asthma/Allergy will bill the insurance company we have on record, as last provided by you. Should we not receive payment as a result of your failure to notify us of any change in insurance coverage, we may ask you to pay your charges in full. Additionally, should you fail to provide information requested by your insurance company (i.e. coordination of benefits information, etc.), we can require you to pay your charges in full when more than 60 days overdue. In both circumstances, a detailed receipt will be provided so that you may submit to your insurance company for direct reimbursement.

Returned checks will be charged a $30 bank fee. A returned check will result in our refusal to accept personal checks from you in the future.

Established patients who miss their scheduled appointment will be responsible for a "NO SHOW" fee of $25. We require 24 hour notice of cancellation in advance of your scheduled appointment. After hours calls are accepted; dial 734/394-2661 and choose option 1 to leave a message.

Thirty (30) days following our 2nd mailed statement, unpaid balance due will be submitted to our Collection Company (IC Systems) and is subject to a Collection Fee.* Collection agency fees are based on a percentage at a maximum of 33% of the debt, and all costs, and expenses, including reasonable attorneys' fees, that Canton Asthma/Allergy may incur in such collection efforts, as allowed by Law.

***We understand that temporary financial problems may affect timely payment of your balance. Please communicate any problem to us so we can assist you in the management of your account. Telephone calls should be directed to our Canton office at 734/394-2661. I understand and agree to the Financial Policy terms as listed above. I have received a copy of this Financial Policy for my records.**

The CPT4 Codes listed in the **NEW PATIENT** column are those most likely to be billed the first time you are seen in our Clinic. Before your first appointment (or prior to returning for a revisit or any type of testing), please check with your insurance company to make sure the visit/test(s) is covered.

REMEMBER, the patient (or parent/guardian if patient is a minor) is ultimately responsible for any fees incurred. Canton Asthma & Allergy PC, is not responsible for billed services not covered by patient's insurance carrier.

Date of Appointment: Day: Time:

Antihistamines and drugs that may affect testing:	**LENGTH OF TIME TO BE OFF**
All regular antihistamines such as Benadryl, Chlorpheniramine, Antihistamine and Decongestant combinations, OTC cold and cough preparations, and sleep aids such as Tylenol PM, etc.	48 hours
Allegra, Allegra D (generic: Fexofenadine), Astelin Nose Spray, Optivar Eye Drops (Azelastine), Emadine Eye drops, Astepro, Dymista, Zyrtec, Zyrtec D (generic: Cetirizine), Zantac (generic: Ranitidine), Allertec, Atarax (generic: Hydroxyzine), Vistaril, Periactin, Axi (Nizatidine), Tagamet (Cimetadine), Xyzal (Levoceterizine)	5 days
Claritin, Claritin D, (generic: Loratadine) Alavert, Clarinex, Clarinex D, Patanase / Pataday / Patenol / and/or Pazeo Eye Drops	7 days

FOR EXAMPLE
If your appointment is on a Thursday and the length of time to discontinue your medication is 4 days, take your last dose on the Saturday before your appointment.

If you are taking medication for RASH, SWELLING, or HIVES – Do Not Stop! *

* There are medications that affect skin results, including medicines used to treat ulcers and heartburn (e.g. Zantac) and antidepressants (e.g. Elavil) which may be used to treat headaches – DO NOT stop taking these medications! As a rule, asthma medications do not affect skin test results and may be continued as prescribed. Please call our office if you have any questions.
